March 12, 2012
9:00 a.m. – 10:30 a.m.

Health & Human Services Subcommittee: Spring Agenda

State Employee Health Care (Primary Project):

- *Defined contribution model for health care (\$344-440 million)*
- *Require all classes of employees to pay same premiums for health insurance and align with private sector (\$206.3 million)*

State Procurement of Mental Health and Substance Abuse (Primary Project):

- *Review of Mental health service rates*

Corrections Issues (Secondary Project):

- *Expand electronic monitoring as an alternative to state prison sentences*
- *Development risk/needs assessment and cost analysis tolls to be used at the time of sentencing*
- *Incentivize localities for reducing their rates of state incarceration and increasing local alternatives*
- *Increase operational efficiencies by aligning lengths of stay with best practices*
